

## Rate Card 2009 - Pricing good through 2009

*The FTTH PRISM* currently publishes 4x's a year online at [www.ftthprism.com](http://www.ftthprism.com), The 2009 prices have been reduced by seven percent below 2008 prices to reflect the slowing economy, which has led to lower cap ex spending among major carriers and less new housing buildouts.

**Published 4x a Year – January, March (just prior to OFC/NFOEC), June (just prior to SuperComm), September (just prior to FTTH Conference).**

**Global Distribution** – This publication now reaches a still growing list of over 10,000 industry executives, decision makers and analysts, all looking for the most current industry news, trends and information.
